Dear Bill,

I was referred to you by Patrick Daugherty. I work with IMS ExpertServices; we locate and engage consultants on behalf of our law firm clients in the United States.

I am seeking an expert in investment banking and the IPO process in China.

I'm hoping you might be able to offer a referral. Patrick said you were involved in the Alibaba IPO.

Thank you in advance for your time and consideration.

Regards,

Jonathon,

You may want to ask Dan Fertig, a Simpson Thacher partner in Hong Kong for the referral. Given my current position at the SEC, I am not well placed to provide you the best names.

Best

Bill

Jonathan,

I am happy to discuss or provide relevant referrals with you. I may need a bit more detail on what you are looking for. I will email you again separately.

Bill, Thank you for thinking of me. Hope you are well.

Best regards,

Dan

Bill,

Congratulations on your new post. I have been meaning to write to you to say so. Leiming sent me a nice shot of the two of you when he visited D.C. recently.

I hope you are still managing to take enough time at your house in [NYC](#)

Take care.

Dan
