WHEREAS, GSR has experience and expertise in conducting sales and purchases of large sums of Tokens; and

WHEREAS, Customer is in possession of sums of various different cryptocurrencies and crypto assets ("Crypto") and wants to engage GSR to liquidate such Crypto from time to time and extract maximum value in US Dollars ("USD") or other currency;

NOW THEREFORE, GSR and Customer (each a "Party," and together the "Parties") agree as follows:

1. **Definitions.** When used in this Agreement with initial letters capitalized, in addition to the terms defined elsewhere in this Agreement, the following terms have the following meanings:

1.1. "Claim" means any claim, action, audit, investigation, inquiry or other proceeding brought or instituted against GSR or any of its affiliates (and/or one or more of their respective personnel, members, managers or representatives) by any person or entity.

1.2. "Confidential Information" means the terms of this Agreement and any non-public information or materials provided by either Party to the other Party in connection with the performance of this Agreement, but does not include any information or materials that: (a) was previously known to the receiving Party free of any obligation to keep it confidential; (b) becomes generally available to the public through no wrongful act; (c) is rightfully received from a third party under no obligation of confidence to such third party; or (d) is independently developed by the receiving Party without reference to information which has been disclosed pursuant to this Agreement. For avoidance of doubt the existence of this Agreement and the terms contained herein are considered Confidential Information of both Parties.

1.3. "Liquidity Extraction Activity" means the net conversion of Tokens, as defined below, that have been loaned to GSR, or other Tokens chosen by Customer, its designee or its agent, over a period of time specified by Customer, its designee or its agent into BTC, USD or

other currency issued by a gateway or financial institution to be specified by Customer or its agent.

1.4. "Loaned Token" means Token loaned and delivered to the GSR by Customer for up to twelve (12) months from the applicable Loan Date.

1.5. "Loss" means any claim, cost, loss, damage, judgment, penalty, interest and/or expense

1.6. "Token" means Crypto, Bitcoin, Ethereum, or any other asset traded on a blockchain using distributed ledger technology.

1.7. "Term" means the initial term and any renewal term agreed to in writing by the Parties.

2. Loans, Purpose and Terms of the Loans, and Purchases.

2.1. Loans. Customer will loan GSR a specified amount of Tokens for a period of up to twelve (12) months (the "Loan") from the time the Loan originated. Loans shall be originated in accordance with Section 2.8. GSR will use the Loaned Tokens only according to the terms of this Agreement. Any Loaned Tokens that are not liquidated within twelve (12) months of delivery will be delivered back to Customer, less GSR Compensation, and no longer subject to the terms contained herein. The Parties may renew the twelve (12) month term by providing each other written notice of such intent.

2.2. Purpose of the Loans. The Loans will only be used by GSR to fund the Liquidity Extraction Activity as defined above.

2.3. Terms and Conditions of the Loan. GSR agrees it will provide to Customer any information or report Customer requests so Customer can reasonably determine if GSR has satisfied its obligations. GSR agrees to and will maintain custody, or use a third-party solution to maintain custody, of the Loaned Tokens ("Custody") until the Loaned Tokens are actually purchased according to the procedures described below in Section 2.5. GSR will deposit any funds or Tokens compensation generated from the Liquidity Extraction Activity into accounts of Customer's choosing. The applicable Loan will automatically terminate once GSR has repaid the Loan, all applicable Loaned Tokens have been liquidated using the process set out in Section 2.5 and GSR has deposited the proceeds in such applicable account or accounts.

2.4. Market Maintenance. GSR will use commercially reasonable efforts to ensure the sales of the Loaned Tokens do not undermine or interfere with a fair and orderly market. After GSR has Custody of the Loaned Tokens pursuant to instructions provided by Customer and agreed by both parties (the "Instructions"), it will sell the Loaned Tokens in a controlled manner taking care not to de-stabilize the global Tokens market.

2.5. Sale of Loaned Tokens. GSR will sell the Loaned Tokens in the following manner. The GSR will sell up to and including the total Loaned Tokens in conformance with Section 2.4 of this Agreement (Market Maintenance) in a series of liquidation transactions spread throughout the period it draws upon the amount of Loaned Tokens. The Crypto comprising the Loaned Tokens will be sold at a price to be chosen at GSR's sole discretion, as described below in Section 2.6 of this Agreement ("GSR Compensation"). GSR will use commercially reasonable efforts to identify appropriate price points at which to sell the Crypto to maximize its sale value, and Customer agrees to hold GSR harmless and not dispute the price of any such sales made by GSR. GSR will take the proceeds from the sale of the Loaned Tokens, less any GSR Compensation as described below, and deposit them as directed by Customer.

2.6. GSR Compensation. As consideration for providing the Liquidity Extraction Activity, GSR will receive a fee of [REDACTED] of the Loan Tokens. GSR's right to payment vests once GSR has Custody of the Loaned Tokens regardless whether the sale occurs.

2.7. No Interest. GSR will not be liable to Customer for any interest or other fees related to the Loaned Tokens, or for fiat currency loaned by Customer to GSR for the purpose of purchasing Tokens.
